ACTIONS

25X1 1. The Agency memo on the AN-22 aircraft is to be circulated to members of the [REDACTED] A covering letter for DCI's signature is to be prepared. The letter is to explain intelligence estimating procedures and to dispel any confusion or feeling on the part of Panel members of inadequate estimating procedures. It is also to make reference to our awareness of the need to look at areas in and around [REDACTED] (DDS&T with help from DDI as required -- 17 September)

25X1 2. DCI wants advice prior to a noon Cabinet meeting today as to whether or not the [REDACTED] has ties with the Communists. (DDI -- this morning)

25X1 3. Upon being told that plans for intensifying [REDACTED] work in SVN are moving ahead and that [REDACTED] is to head up a CIA team there, DCI directed that Ambassador Lodge be briefed in detail on this program and the need for it. (DDP - 17 September)

4. DCI reported that he has told Senator Lausche of J. Edgar Hoover's letter to the DCI concerning the Consular Convention. Warner is to show the letter to Senator Lausche. (OCG -- in the course of the day)

5. DCI asked that arrangements continue to be pressed for a meeting with the Stennis Committee and with the Mahon Committee as well. (OGC)

6. Noting continuing worldwide efforts to discredit CIA, DCI directed updating of a paper on Communist efforts in this regard. Warner is to deliver copies of the paper to staff directors of our committees on the Hill and the subject will be put on briefing agendas for meetings with the committees. (DDP in consultation with OGC -- 17 September)

7. DCI asked DDS&T to arrange for Agency officers to be briefed by NASA on the Minerva rocket engine, as the Soviets may well be working in similar fields. (DDS&T -- 17 September)

8. Noting that future public statements by the Government on any aspect of covert actions will be considered by the 303 Committee members, DCI asked that this word be passed to Agency officers with the advice that when such issues arise, they should be bucked to DCI or DDCI.
